Denika Whitt-McCall, Director

April 6, 2020

Dear CRCA Partners!

We pray all of you are healthy and staying engaged in a variety of learning activities with your child during this unique time in history. Our top priority is the health and safety of our students, staff, and parents, and we take this responsibility seriously.

On Thursday, March 26<sup>th</sup>, Governor Kay Ivey in conjunction with Dr. Eric Mackey, State Superintendent of Education, announced that all Alabama K-12 schools, public and private, will remain closed for the 2019-2020 school year. All other nonessential businesses (including preschools) have also been closed until April 17<sup>th</sup>. Then on March 29<sup>th</sup>, President Trump extended the social distancing mandate to April 30<sup>th</sup>. We are praying that the mandate and a flattening of the curve will occur soon so we can reopen our doors for our CRCA families. As soon as we receive that information, we will notify our CRCA parents and students.

Since we are unable to provide childcare services at this time, no tuition is due for April (for Toddler-K4 students ONLY). If, however, you did not clear your account for March, payments are due and can be mailed to the financial office. Please note all late fees have been waived for March.

We are committed to the education of our students and despite the social distancing mandate, directors, teachers, administrators, and parents working together will help students through this unprecedented crisis. Our teachers are not moved by the situation at hand and want to ensure our students remain on track for next year. With that in mind, as we transition to E-Learning, it is our belief that our virtual class activities will allow us to continue instruction with little interruption to the educational process. In a virtual learning environment, students and parents take responsibility for their work and engagement.

Thank you for completing the E-Learning survey that was sent last week. Students/Parents will locate will the virtual classroom instructional videos through Google Classroom. Teachers will send parents an invite to their Goggle Classroom. Parents, all you have to do is accept the invite and you are good to go! If you do not receive a Google Classroom invite, please contact administration via email at [eduwithjoy@yahoo.com](mailto:eduwithjoy@yahoo.com) or [calvary.warriors@yahoo.com](mailto:calvary.warriors@yahoo.com).

Teachers have also put together work packet assignments to help students with their learning experiences every two weeks. These packets are for your convenience to aid in not having to pull outside resources. Please see attachment for work packet pick-up days.

We appreciate your support and patience in helping your child through their E-Learning experience. We are excited to build this program and believe this will enhance the learning opportunities for our children and have them well-prepared for the next level. We suggest getting the mornings started with our usual devotion, prayer, confessions, and affirmations. We are praying Psalm 91 over all our CRCA students and their families. We pray this Psalm of protection and safety. We deem it fitting for this season.

If you have any questions regarding this information, please feel free to contact me at [eduwithjoy@yahoo.com](mailto:eduwithjoy@yahoo.com).
